Sixty Years Strong.

We, the Northshore Aquatic Association, have come together and organized ourselves to promote and develop our unique aquatic community.

For six decades, we have shared a passion for inclusive and accessible summer aquatic activities, and an unwavering commitment to preserving these aquatic traditions for the generations to come.

Over the years, we have witnessed many of our former members compete at the highest levels of their respective sports, something for which we highly pride ourselves. We have collectively worked hard on achieving our goal of providing a safe, healthy, supportive and encouraging environment to every child who dreams of pursuing their aquatic sport.

But, more importantly, we value our own members, who are at the centre of this strong community that we have built. We recognize, the success of our mission is rooted in the spirit of volunteerism that we jointly foster at all of our member pools. We understand that the success of our youth relies on a greater involvement of our community, and that the aquatic experiences and opportunities that we create have an immense impact on their future endeavours.

Our way of life has become essential to the communities and families we serve. The NAA will always remain a fun and participatory environment for all

Message from the
President of the Northshore Aquatic Association

Dear Swimmers, Parents, Volunteers and respective guests,

Welcome to the 60th anniversary of the North Shore Aquatic Association's **BIG MEET**. Thank you Briarwood for co-hosting today's events. It's with great honour that we welcome you to the festivities and wish everyone great success in their swims today. Future olympians could be in the pool today and even if not, their hard work to get to today has been a reward itself.

The swimmers have generated memories that last a lifetime this summer. Thank you to the parents for your dedication to the fun & safe participation throughout this summer. Patience with weather has been a theme for Wednesday and makeup nights this year!

Thank you to all of the board members, officials at dual meets, summer swim meet, time trials and today, the Big Meet. Without you, our events could not continue. To our lifeguards that guide and encourage the kids on their first race right 'til today; thank you for your energy and commitment to the kids. Combined, you are the secret ingredients to the NAA's community commitment and strong spirit.

Cheer loud! High fives all around. Today we celebrate community and sport.

Alison Short

President of the Northshore Aquatic Association

Message from the
Vice-President of Competitive Swimming

Dear Members of the NAA,

It is a great pleasure to be amongst you once again for this year's NAA Championship 'Big' Meet. One of the most anticipated events of the season, this meet celebrates, the support and work of dedicated coaches, parents, volunteers and officials, as well as the accomplishments of young swimmers who strive and work hard to learn, develop and succeed in swimming.

As our 60th season comes to an end, let us take the time to appreciate the far-reaching impact of our activities in countless neighbourhoods across Montréal. Let us remember that over the last six decades, we have succeeded, together as **volunteers**, in providing our children with accessible opportunities to grow and pursue an aquatic discipline. Few are the community organizations who can match this achievement; fewer are those who can pride themselves in being the home of dozens of national athletes.

For the NAA is the backbone of the swimming community. Today, let us commemorate the thousands of volunteers and community leaders who have enabled us to reach this point, and continue to work together to serve countless children and families over the next decades.

Swimmers: No matter what, never lose sight of your ambitions. And despite challenges ahead, remember to always have fun with friends and teammates. A whole community stands ready to support you.

Leniyo Amayao

Vice-President of Competitive Swimming

Message from

Briarwood Pool, Host of the Championship Meet

Briarwood Pool is extremely excited to welcome you all for the 2024 edition of the Big Meet in a year where the NAA is celebrating its 60th anniversary. We know how unique and important the summer pool system is in our community and we are extremely proud to be a part of it.

This event would not be possible without the help of the NAA and associated pools who have supported us and helped ensure the event is a success.

We know how hard the athletes and coaches have worked throughout the summer as well as the parents who provide continuous support to the athletes. We also want to take the opportunity to thank all the volunteers who, day in and day out work to ensure our wonderful pools continue to thrive for generations to come.

Wishing you all great success and an amazing day!
